## welcome to the marina theatre...

Hello everyone and welcome to our lovely 2019 brochure, such a wide variety of entertainment, we hope there's something for everyone!

There's drama with **Jane Eyre** in October and **Private Peaceful** in November and that icon of spoken poetry **Dr John Cooper Clarke** will bring some extraordinary material new and old to the Marina in July.

Youngsters will enjoy **The Very Hungry Caterpillar** in May and **Dear Zoo** in October, as well as the fantastic David Walliams' **Mr Stink** in August.

Music is a mainstay of our programme and we're trying to give you more 'real' music, so it's great to have **PJ Proby** in May, **Rick Wakeman** in June, **Joe Brown** in September and **The Three Degrees** (yes, the real ones!) in October. Some of our favourite tribute acts return as well like **The Illegal Eagles**, mixed in with new visitors like **Extremely Dan** and **Ultimate Bubl **.

Panto is never far from our minds here at the Marina (oh no it isn't!) and we look forward to having **Collabro's Michael Auger** join us for **Snow White**. Book early for Early Bird prices until 2nd September!

Privilege Card holders have priority booking from 4th April, with general booking from 11th April. If you are not already a member, it's definitely worth it, see page 26 for more details.

We like to let our audiences know what's going on at the Marina - whether it's show information or fundraising news let Box Office know and we'll keep you updated.

We love what we do and we love our audiences - you're at the heart of everything we do - see you soon!

Emma Butler Smith  
Chief Executive

### Marina Youth Theatre Double Bill

#### Around the World in 80 Days

Join the indomitable Phileas Fogg and his put upon valet Passepartout as they race a motley collection of thieves, washed up explorers and would be glory hunters around the world in 80 days!

From deep jungles to snow-capped mountains, the Marina Youth Theatre's 9-12 team will take you on an adventure you'll never forget.

#### Animal Farm by George Orwell (adapted by Peter Hall)

"All animals are created equal, but some are more equal than others."

Orwell's classic political novella is stunningly brought to life by Marina Youth Theatre's 13+ team as they explore politically charged satire that is as relevant to today's audience as it was in 1945.

The barnyard animals stage a revolt to overthrow their inhumane masters only to find themselves under the trotter of a new regime. The tyrants this time, however, are their own kind...

During the first half you will see **Around the World in 80 Days** performed by the 9-12 team followed by a short interval. You will then be entertained by the 13+ team performing **Animal Farm**.

**Kevin Bloody Wilson**

A long time ago, a long way from anywhere, in a West Australian mining town called Kalgoorlie, the legend of **Kevin Bloody Wilson** was born. It all started innocently enough - just a guy with too much time on his hands changing the words to other people's songs, and writing a few of his own, purely for the fun of it.

Thirty-five years later, countless live gigs and millions of album sales down the track, **Kevin Bloody Wilson** has not only found his niche, he's grabbed an esky and a deckchair and he's made himself really bloody comfortable in it!

## PRIVATE PEACEFUL

Adapted by Simon Reade

Wednesday 13th November 1.30pm & 7.30pm

### Private Peaceful

Divided by love. United by war.

*"I've had nearly eighteen years of yesterdays and tomorrows, and tonight I must remember as many of them as I can. Tonight, more than any other night of my life, I want to feel alive!"*

**Private Peaceful** relives the life of Private Tommo Peaceful, a young First World War soldier awaiting the firing squad at dawn. During the night, he looks back at his short but joyful past: his exciting first days at school; the accident in the forest that killed his father; his adventures with Molly, the love of his life; and the battles and injustices of war that brought him to the front line.

## access

Everyone is welcome at the Marina Theatre. We are committed to making changes which make the theatre enjoyable and accessible for all.

### WHEELCHAIRS AND MOBILITY AIDS

We have wheelchair accessible Toilets, Box Office, Café, Kiosk, Foyer and Auditorium. The Auditorium has 5 wheelchair spaces in the stalls, which were recently moved to accommodate a wider range of mobility aid sizes.

At this time, the upper floors of the theatre are accessible by stairs only. The Marina Theatre is currently looking at funding options to facilitate the installation of a lift. This is a top priority for the theatre as we look to expand our accessibility in all respects.

### HEARING ASSISTANCE

The Marina Theatre has recently installed a state-of-the-art Sennheiser infra-red hearing system. The system works by converting audio sources into infra-red light pulses which are radiated into the room. The infra-red light signals are picked up via body-packs worn by the user, and then converted back into an audio signal which can be listened to with headphones which are plugged into the body pack. There are up to ten body packs available, but the system is usable with any infra-red body packs capable of receiving on the carrier frequency of 2.3MHz. The body packs have a large easy-to-access volume control and a balance control. Headphones can be provided by the wearer, or purchased from the Kiosk at the Marina Theatre.

We also, where it is possible, offer signed performances. At least one of our yearly Pantomime performances is signed and we are hoping to do more throughout the year.

### RELAXED PERFORMANCES

A relaxed performance is intended specifically to be sensitive to, and accepting of, audience members' who may benefit from a more relaxed environment, including (but not limited to) those with autistic spectrum conditions, anyone with sensory and communication disorders, learning disabled people, people with dementia or even just very small children.

The aim is to deliver an experience which minimises the aspects of coming to the theatre and watching a show that someone might find stressful - this can be things such as loud noises, too dark or too bright lighting, sitting still for long periods of time, unfamiliar spaces, a sense of perceived danger, sensory overload and/or feeling overwhelmed.

We offer at least one relaxed Pantomime performance per year and we are committed to offering relaxed performances on visiting shows wherever possible.

**NB - Ear defenders are available at every Marina Theatre show, relaxed or otherwise, upon request and subject to availability.**
