IT'S A VERY EXCITING TIME...

... for the Marina Theatre as we make progress with our redevelopment. Since November 2024, works have been ongoing to make improvements to our beautiful building. We would like to take this opportunity to thank everyone who has visited during this time, we've looked slightly different with hoarding and scaffolding up but your kindness has remained constant and your understanding and support has been unwavering.

The Marina Theatre project is a Lowestoft Town Council (as building owners) Project, in partnership with the Marina Theatre Trust and East Suffolk Council, with funding from the UK Government's Towns Fund. We extend our thanks to Lowestoft Town Council and East Suffolk Council for their support on this project.

In these pages, you will find more information on the redevelopment and what improvements are happening and what you can look forward to when we reopen after a closure period. Once we hit the middle of the June, we will be closing our doors so that the works can be completed. We hope that you will continue to follow us on our social media channels

and we hope to see you out and about in the community as well as at the Lowestoft Carnival!

Once we reopen in October, we will go straight back into entertaining the people of Lowestoft and surrounding areas with great acts such as Anton Du Beke, Jason Manford and The Psychology of Dogs and then it won't be long until we hot step into our festive pantomime! We are very much looking forward to Sleeping Beauty in December with both Terry Gleed and Luke Byford returning this year!

I'd like to take this chance to thank you for your unwavering support of our much-loved theatre and ask you to continue to support us during our closure period.

Sam Vallerius
General Manager

ACCESS

We believe that theatre is for everyone and where possible we will always make adjustments to meet your needs.

WHEELCHAIRS

We have wheelchair accessible toilets servicing the Box Office, Café, Kiosk, Foyer and Auditorium and five wheelchair spaces available in the auditorium stalls. From October 2025 the amount of wheelchair spaces we can offer will increase and we will also be able to offer spaces in our Circle for those using sticks or with other mobility issues. Call the Box Office on 01502 533200 and we can guide you through your options. We always advise booking early to get the best seats for you.

HEARING ASSISTANCE

We have a state-of-the-art Sennheiser infrared hearing system. The system allows sound from the stage to be played back to you through headphones or hearing aids via an easy-to-use bodypack. These are particularly useful for films, screenings, plays and comedy, though are not always suitable for loud live music such as rock bands or musicals. Any headphones with a 3.5mm jack plug can be used with the bodypack. You are welcome to bring your own set, or you can purchase them from the kiosk.

SUBTITLED SCREENINGS

We have made upgrades to our cinema system to allow us to show subtitled films subject to availability. These show the dialogue and other heard elements of a film at the bottom of the screen and are really useful for people who are deaf, hard of hearing or speak English as a second language.

ACCESSIBLE PERFORMANCES

Whenever possible we aim to schedule in signed and/or relaxed performances into our programme. Our relaxed performances for panto have become a really popular event and last year's panto cast commented that the audiences for our relaxed performances were some of their favourites throughout the run. For *Sleeping Beauty* we're thrilled to be able to offer a signed performance, a relaxed performance, and a signed and relaxed performance as part of our panto season this December.

If you have any concerns or would like to discuss access requirements please email info@marinatheatre.co.uk or phone 01502 533200.

SUPPORT US

We are proud to be Lowestoft's not-for-profit professional theatre. Our charity number is 1149133. £1 of your ticket money goes to our restoration fund to help us maintain our beautiful building. From October 2025 £1.50 of your ticket money will go into our restoration fund.

MAKE A DONATION

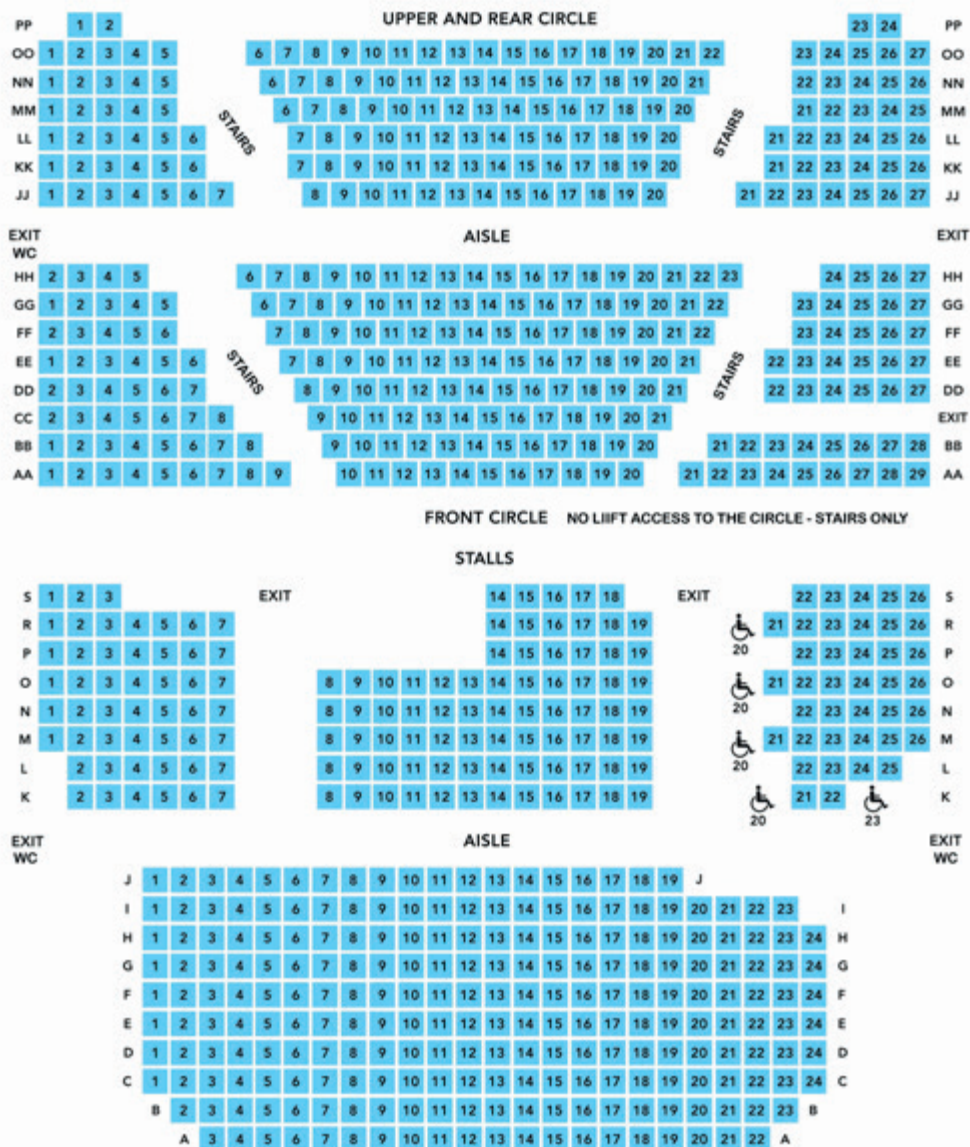

Please add a donation to your basket when buying tickets online or at the Box Office. If you're eligible, be sure to add Gift Aid to your donation, increasing its value by 25%!
